| Aims                          | The course will introd   | The course will introduce students to methods and techniques for making optimal decisions. |              |  |  |  |  |  |  |
| Learning outcomes             |  |  |              |  |  |  |  |  |  |
| Lecturer / Teaching assistant | Assistant Professor Zdenka Dragašević, lecturer, Dženana Đurković, teaching assistant  |  |              |  |  |  |  |  |  |
| Methodology                   | Lectures and exercises. Conversations and explanations. Examples from practice. Checking knowledge of the material. Two mandatory tests. |  |              |  |  |  |  |  |  |
| Plan and program of work      |  |  |              |  |  |  |  |  |  |
| Preparing week                | Preparation and registration of the semester   |  |              |  |  |  |  |  |  |
| I week lectures               | Overview of the development of the science of decision-making. The concept and definition of decision-making                             |  |              |  |  |  |  |  |  |
| I week exercises              | Overview of the development of the science of decision-making. The concept and definition of decision-making                             |  |              |  |  |  |  |  |  |
| II week lectures              | Defining the concept and types of decisions  |  |              |  |  |  |  |  |  |
| II week exercises             | Defining the concept and types of decisions  |  |              |  |  |  |  |  |  |
| III week lectures             | Decision making factors  |  |              |  |  |  |  |  |  |
| III week exercises            | Decision making factors  |  |              |  |  |  |  |  |  |
| IV week lectures              | Stages in the decision-making process  |  |              |  |  |  |  |  |  |
| IV week exercises             | Stages in the decision-making process  |  |              |  |  |  |  |  |  |
| V week lectures               | Decision-maker and his preferences   |  |              |  |  |  |  |  |  |
| V week exercises              | Decision-maker and his preferences   |  |              |  |  |  |  |  |  |
| VI week lectures              | Decision making model. Decision making tables and trees  |  |              |  |  |  |  |  |  |
| VI week exercises             | Decision making model. Decision making tables and trees  |  |              |  |  |  |  |  |  |
| VII week lectures             | Decision-making under conditions of certainty  |  |              |  |  |  |  |  |  |
| VII week exercises            | Decision-making under conditions of certainty  |  |              |  |  |  |  |  |  |
| VIII week lectures            | Linear programming - graphical method  |  |              |  |  |  |  |  |  |
| VIII week exercises           | Linear programming - graphical method  |  |              |  |  |  |  |  |  |
| IX week lectures              | Analytical methods for determining the optimal solution of linear programming  |  |              |  |  |  |  |  |  |
| IX week exercises             | Analytical methods for determining the optimal solution of linear programming  |  |              |  |  |  |  |  |  |
| X week lectures               | Exercise tasks - linear programming  |  |              |  |  |  |  |  |  |
| X week exercises              | Exercise tasks - linear programming  |  |              |  |  |  |  |  |  |
| XI week lectures              | The dual problem   |  |              |  |  |  |  |  |  |
| XI week exercises             | The dual problem   |  |              |  |  |  |  |  |  |
| XII week lectures             | Decision making in terms of uncertainty. Methods for choosing the optimal business decision  |  |              |  |  |  |  |  |  |
| XII week exercises            | Decision making in terms of uncertainty. Methods for choosing the optimal business decision  |  |              |  |  |  |  |  |  |
| XIII week lectures            | Methods for selecting optimal business decisions in terms of risk  |  |              |  |  |  |  |  |  |
| XIII week exercises           | Methods for selecting optimal business decisions in terms of risk  |  |              |  |  |  |  |  |  |
| XIV week lectures             | Colloquium   |  |              |  |  |  |  |  |  |
| XIV week exercises            | Colloquium   |  |              |  |  |  |  |  |  |
| XV week lectures              | Remedial colloquium  |  |              |  |  |  |  |  |  |
