

Faculty of Political Science / MEDIA STUDIES AND JOURNALISM / Sociology

Course:	Sociology			
Course ID	Course status	Semester	ECTS credits	Lessons (Lessons+Exercises+Laboratory)
3591	Mandatory	1	5	2+2+0
Programs	MEDIA STUDIES AND JOURNALISM			
Prerequisites	There are no requirements for registering and hearing this subject.			
Aims	The aim of the course is to master the basic knowledge of sociology as the most general social science. This knowledge will be necessary to master the material from almost all other subjects and courses, considering that the teaching material includes key topics and problems, as well as dominant theories belonging to the entire family of social sciences.			
Learning outcomes	After passing the exam, the student will be able to: Develop an interest in sociological understanding and research of society • adopt fundamental sociological knowledge in explanations of social reality • understand different social relations, phenomena and processes in a common and wider social context with special emphasis on contemporary society • develop critical relationship, opinion and expression of social views on social relations, phenomena, processes and their sociological interpretations • observe the influence of social position, role and status on the formation of attitudes, values and identity as the basis of individual and collective behavior • develop interest and sensitivity to social issues and problems . , as well as encourage tolerance towards social and cultural differences.			
Lecturer / Teaching assistant	Vladimir Bakrač, Ph. D. Associate Professor MSc Marko Savić, MSc, teaching assistant
